SERVANTS

Mark & Gillian Wiewel

Serving in Czech Republic

Hello Church! Thank you for praying for Mark's week away with the students. Gillian and Oliver had an incredible week together and could tell people were praying for them. Mark said the week was reminiscent of camp and it was sweet to have that experience with his students. The students were very positive and encouraging with each other and it was a blessing to see them build deeper relationships. There was one boy in Mark's group who was anxious about the week and wasn't sure if he would last longer than a day. He ended up staying the whole week and said it had been such a good experience! During one of the worship times Mark got to share a devotional about humility and was encouraged when he saw students put others first and encourage each other on a 16 km hike. Please pray for the students as they now head off into summer. Many of them do not come from Christian homes and so school is where they encounter the Gospel and God's love. Please pray that they would remember and reflect on things they've heard this past year and continue asking questions about faith in Jesus. Especially pray for the students that are moving to other countries and for the students that are graduating.
