Note from Charlene Langevin

Dear church family ,greetings from Melville Sask. I am doing well. Still receiving cancer treatments, tumors are shrinking and stabilized and blood work is good. I still walk a few miles (3-5) every day. I keep my faith in Jesus alive and remain positive.

I think about Ridgewood a lot and miss you all. I appreciate all your visits, calls, texts and prayers very much! I send hugs, love and blessings to my church family.

SERVANTS

Israel & Sandra, Sebastian Chavez Plett

After an incredibly busy season of ministry, where God has done many incredible things, we are content to be in a season of routine once again. Thanks so much for helping sustain us with your prayers. Here are a few highlights from the last while:

Praise God we have been certified once again to become adoptive parents!! Pray with us as we are put on a waiting list and we never know how long it might take for a child to be assigned to us.

We are running weekly English workshops at LifePoint church plant with our interns and love to interact with kids from the community!

In Mexico when a girl turns 15 it’s a BIG deal!! Last weekend we performed our first service for a Quinceañera from our church, Dayana. It was an opportunity to share God’s truth with her largely non-Christian family.

After months of exciting and intense ministry, we had the opportunity to get away for a few days of rest and connecting as a family, and it was wonderful!

We directed the Hadime Jr program at MTC, together with our student leaders. We had a fantastic weekend of fun and focusing on God’s Word with about 45 adolescent youth.
