MISSIONS HIGHLIGHT

RICH & JOY SAYER

What does this new school year look like in terms of ministry and opportunities to share the hope in Christ we have, and the reason for living in Spain? It sounds clich  , but it's true all the same: God knows.

Spending the summer apart from one another with Rich, Kai & Ethan having been in MB and Joy & Hannah in Sevilla, wasn't a fantastic organized ministry strategy. (That said, it was good, right and we see the eternal fruit that is at the doorstep of coming to fruition as a result. With time, we will share more.)

For the moment, **we ask you to pray and praise for:**

- 1) Our own continued **process of surrender and transformation** from carnal ways of thinking, habits and ways of relating to one another
- 2) Holistic renewal as our family participates in a **5-day missionary-family refresh retreat** in Croatia, October 12-16
- 3) **Growing friendships** with others who are either sour or indifferent to faith in Christ or religion in general. (Pablo, Marina, Pedro, Sivia, Carlos, Hayat, JOhn, Maria, Simon, Carmen, Ana, Manuel, Curro, Javi, Manolo, Antonio, Calos, Hafid, Hasan)
- 4) **New connections** as Hannah's friendship circle grows and/or meeting at the park (Pablo, Irene, Maria, Jose, Fatima)
- 5) Ven a la Fuente: the **monthly Oasis team meeting**, diving into the topic of apologetics this year. Each of the students have vocal athiest teachers in their philosophy, biology, etc classes. (Ethan, Kai, Maria, Estera, Ela, Ocean, Sara, Dani)
- 6) Oasis Leadership: **unified harmony** in communication with one another, making decisions, leading and serving will under the authority of Jesus Christ
