

WHAT TO EXPECT

This will not be a regular week of camp experience.

There will be some programming for all ages, some time for learning, for joining together in worship and a lot of time to connect with each other.

There will be some unstructured time, and we encourage bringing board games, sports equipment etc. if you so desire.

Workshop, Cabin Activity and Packing lists will be sent out to registrants soon.

We hope all those who call Ridgewood home will come and partake!

REGISTRATION

To register fill out the registration insert and turn it and payment in to the church office by August 17 for the early bird discount or August 24 for full price and final registration deadline.
