

## Financial support application for Longbow Bible Camp workers

*To qualify for financial support I understand that I must serve a minimum of 2 weeks at Longbow Bible Camp this summer. I also must submit my Longbow Bible Camp staff application, and ensure there is a current (<5 years) Ridgewood Church Ministry application and police check (if 18 years or older) on file by June 1/2024. I also commit to attending staff training sessions. (Three Sunday School sessions in June.)*

*If I have completed grade 10 or 11 I qualify to raise support up to the amount of \$400/week. If I have completed grade 12 (or I'm an adult), I qualify to raise support up to the amount of \$600/week.*

*I understand I am responsible for raising these funds. If I am approved, I will receive a letter of commendation from the camp committee that I will use to solicit these funds from family, friends and associates. They will be issued a tax deductible receipt for donations exceeding \$20. I may use the Ridgewood church mailboxes to assist my efforts. I understand that a personal letter expressing my intentions may be used in addition to the letter of commendation. All donations will be processed through Ridgewood Church. Payment will be made after all donations have been received and all weeks of service have been completed.*
